

# Park Falls Youth Baseball/Softball 2022

Welcome to the 2022 Ball Season as we strive to provide a safe and healthy program for everyone.

Here are a few things for parents/guardians and players to know:

## GAME SAFETY:

We recommend that players have their own  
Helmet, Glove, and appropriate Shoes for playing ball.  
Metal Cleats are NOT Allowed.

## UMPIRES:

To defer costs, we ask parents and family members to offer their time for at least ONE home game PER CHILD in the program. We understand that you may have questions, but your child's coach will assist you in knowing what to do.

## CONCESSIONS:

Concessions being sold help to offset expenses for equipment and insurance for players.

Your ASSISTANCE in selling concessions is NEEDED.

Parents/Family volunteers are needed to operate the stand during the games. We ask that you help out for minimally ONE Game per season PER CHILD.

IF you feel that you are unable to support the program with being an UMPIRE and/or CONCESSION Worker, a monetary contribution of \$50 PER CHILD you register in the program will be asked of you to offset the league costs in providing umpires and concession workers.

## COACHES:

Coaches are volunteers and are needed for teams of all ages.

Please respect those who are volunteering their time and talents.

## FANS:

Respect is asked of all who attend games.

Support the players and volunteers of the program.

Alcoholic beverage consumption is not allowed at the Park Falls fields.

We ask that pets not be on the grounds.
